

What adventures have we been on this week?

Week beginning 11/9/23

This week we have been learning our daily routines and have created a visual timetable of our days in pre-school. We have been creating loose part art faces and making our faces out of shapes with glue and sticky eyes! We have begun our 'International Dot Day' celebrations with printing and painting dots.

Book of the week— *Wonderful Me*

Rhyme of the week— *Humpy Dumpty*

Word of the week— *after*

Literacy

We found little footprints in our class this week and they delivered a tray of gingerbread men for the children as well as a brand new book! We looked at the front cover and parts of the book.

Maths

In our maths we have been looking at patterns and symmetry in our faces, asking how many eyes, ears and mouths we have. We have created a time line of our day.

Next Week

Next week we will be learning about the harvest moon and we will go on a nature walk and look for some fallen conkers. Next week the Gingerbread man is 'On the run!'; We will make wanted posters to see if anyone has seen him around our school.

Book of the week— *Peace at Last and The Dot*

Rhyme of the week— *Wind the bobbin up*

Word of the week— *all*
