

# What have we been learning this week?

Week beginning 22/1/24

This week we have used our fine motor skills to make bird feeders and hung them in the tree outside our class. We have been colouring and drawing pigeons, robins and bluetits. We have been watching different vehicles from the garden and ticked what we saw on our clipboards (we looked very professional in our high-vis vests!). We have started creating roads for our London town and been sticking down famous landmarks.

**Book of the week-** **Brown Bear, Brown Bear**

**Rhyme of the week-** **Five little Monkeys and London Bridge**

**Word of the week-** **heavy**

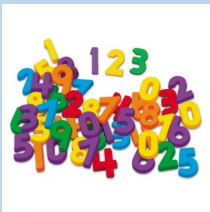

## Literacy

This week we have been tapping, clapping and counting the beats in different words; our names and animals. We read some of the Naughty Bus and have been playing like the child in the story.

## Maths

This week we counted the bird food and compared group sizes; identifying which has 'many' and which has 'few' or 'fewer'. We counted cars and discussed their size, shapes and speed.

## Next Week

We will be looking more about where we live; we will look at London and Malpas as a comparison. We will build very tall towers and focus on our own homes; what is all around my home? Do I have a garden? We will continue creating our map art and be discussing our emotions using colour monsters to identify different zones of emotion.

**Book of the week-** **This Bus is for Us**

**Rhyme of the week-** **Down at the Station**

**Word of the week-** **large**
