

What have we been learning this week?

Week beginning 5/2/24

This week we have been celebrating Chinese New Year; we have been looking at noodles going from being hard and breaking to then being soft and slippery when we added hot water. We have worked together to make a dragon's head and we made our own masks to take home. We have tasted Chinese foods and made fans, lanterns and wrote good luck messages for our family. We danced a dragon's dance together with scarves.

Rhyme of the week- Five Fat Sausages

Word of the week- last

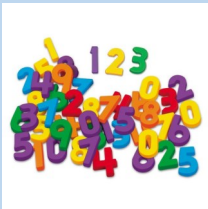

Literacy

This week we have been singing about five fat sausages and taking one away. We continue our adventure with the Naughty Bus as he makes a bit of a mess! We have been reading Kitchen Disco this week and had fun with silly sounds and shaking eggs.

Maths

This week we continue our construction and are working together to make bridges. We have been sequencing our threading and counting prawn crackers.

Next Week

We will be making pancakes on Tuesday, weighing and measuring out ingredients; from there the children will see how the batter changes into a soft formed pancake when heated in the pan. We will try different toppings and will experiment with light and dark; using touches we will explore shadows and light.

We break up from school on Friday 16th February and return on Monday 26th February.
