

What have we been learning this week?

Week beginning 26/2/24

What a wonderful fun filled week back to school! We have been learning 'Dough Disco' moves this week. We have been playing with our new toys. On science day we learned about 'temperature' and felt the difference between hot and cold. We celebrated St David's day by painting daffodils, speaking Welsh and even baking some delicious Welsh Cakes!

Book of the week- **The Duck in the Truck**

Rhyme of the week- **If You're Happy and You Know It**

Word of the week- **long**

Parents—Our emergency clothing has gotten very low please can you return anything you might have had, any donations are always welcome! Thank you

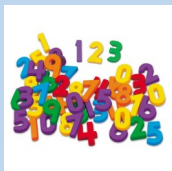

Literacy

This week we have looked at our new book 'The Journey Home', we considered why the chicken has a map and a suitcase? We have played a rhyming game this week by rolling a dice.

Maths

This week we have been counting to 10 everyday. We have been discussing shapes and positional language when junk modelling.

Next Week

We will be learning what animals lay eggs. We will be reading Hattie Peck's love of eggs and all the different creatures that come from them. Hattie loves her family and we would love you to share your family photos with us so we can talk about them and display them in our class.

On Wednesday we have an amazing treat planned with a visit from 'Pop up play village' where we will be in the main hall all afternoon.

On Thursday we would love the children to dress up for World Book Day.

Book of the week- **Chocolate Moose for Greedy Goose**

Rhyme of the week- **Five Current Buns**

Word of the week- **most**
