

What have we been learning this week?

Week beginning 18/3/24

We have loved singing and learning about the word 'new' this week and especially watching and singing along with Pete the Cat and his new shoes! We have been creating easter cards and have been planning all the things we need for a party next week.

We played on the trim trail on Tuesday, visited Foundation Stage on Wednesday and got to see the Rock Steady performance on Thursday.

Literacy

This week we have really enjoyed discussing planning a party—writing shopping lists, writing invitations and drawing balloons and making party hats.

Maths

This week we have been counting groups of objects with Mrs. Jones and counting our jumps outside. We loved playing with the Foundation Stage counters and liked spotting the patterns with our peg boards.

Next Week

We have a wonderful week planned filled with pirate adventures and drawing treasure maps; we will use our map making skills to help us search for easter eggs in the garden. We will be reading the Easter story and learning who celebrates Easter. As it's our final week on Thursday we have been planning a party—please feel free to send your child into class in their party clothes!

We will be holding parent teacher meetings on Tuesday and Wednesday—we cannot wait to see you then!
