

What have we been learning this week?

Summer 1—Week beginning 28.4.25

What a fun filled week we have had! We have welcomed the hot weather with paddling pools and ice-lollies. We have made posters for a wanted animal and posted them all over school. We have begun our 'Sunflowers' art project and planted our own sunflowers. We have been comparing Hippo's African climate to that of our Antarctic penguins. We learnt drumming all week and performed for our parents on Friday.

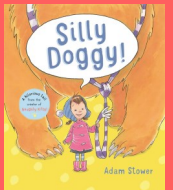

Book of the week- **Hippo Has a Hat**

Rhyme of the week- **Penguin Dance**

Word of the week—**Same**

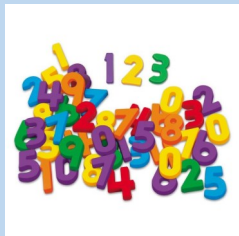

Literacy

This week something left footprints in our classroom! We have made wanted posters and are on the lookout for this creature! We started reading 'Silly Doggy' and have been looking at animals that match the books clues.

Math's

During our morning math's this week we have been identifying numbers on a dice using quick recall; the children are getting really good at this. Please play this game at home.

Next Week

Next week we will be preparing for VE day celebrations (all children are invited to join the parade with our school!). We will be making bunting and union jack flags and are learning about two Malpas hero's who were in the Navy and RAF. We will be making boats to see if they sink/ float and having a boat race. We will sequence our bedtime routine.

Book of the week- **5 Minutes till Bed**

Rhyme of the week- **A Sailor Went to Sea**

Word of the week—**Short**

Letter of the week— **a**
