

I am learning to statements...

Maths: Number

<u>Nursery</u>	<u>Reception</u>	<u>Year 1</u>
Number and Place Value		
I am learning to count by saying one number for each object I am learning to match numeral to quantity up to 5	I am learning to count beyond 10 I am learning to count beyond 20 (verbally) I am learning to match numeral and quantity (to 20)	I am learning to count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number I am learning to count, read and write numbers to 100 in numerals
I am learning to say numbers past 5 I am learning to spot patterns and explain them I am learning to spot mistakes in patterns I am learning to create my own patterns	I am learning the counting system I am learning to spot the patterns within the number system	I am learning to count in multiples of 2 5 10
	I am learning to find one more than a number I am learning to find one less than a number	I am learning to find one more than a number I am learning to find one less than a number
I am learning to show "finger numbers to 5"	I am learning to represent numbers up to 10 in different ways spotting the patterns	I am learning to represent numbers in different ways <ul style="list-style-type: none"> • Objects • Pictures • Number lines • Tens frames
I am learning to use the vocabulary of more than, less than, greater than, fewer than and equal to		
I am learning to match numeral to quantity up to 5	I am learning to match numeral and quantity to 20	I am learning to read and write numbers 1-20 in numbers and words I am learning to count, read and write numbers to 100 in numerals
Addition & Subtraction		
I am learning to use symbols and marks to explain my maths	I am learning to record my maths in a way I can explain	I am learning to read, write & understand number sentences using + - =

I am learning to show finger numbers to 5	I am learning to recall numbers bonds and their subtraction facts to 5 and then 10	I am learning to use number bonds and subtraction facts to 20
	I am learning to show understanding of numbers to 10, including how they are made up e.g. 7 is 1 + 6, 2 + 5, 3 + 4 etc.	
Multiplication & Division		
	I am learning to understand doubling, grouping and sharing I am learning to recall doubles facts	I am learning to solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher.
	I am learning that some numbers are odd and some are even	
Fractions		
	I am learning to understand doubling, grouping and sharing I am learning to recall doubles facts	I am learning to recognise, find and name a half as one of two equal parts of an object, shape or quantity I am learning to recognise, find and name a quarter as one of four equal parts of an object, shape or quantity

I am learning to statements...

Shape, Space & Measures

<u>Nursery</u>	<u>Reception</u>	<u>Year 1</u>
Measurement		
I am learning to compare <ul style="list-style-type: none"> Length and height Mass and weight Capacity and volume Time 	I am learning to compare <ul style="list-style-type: none"> Length and height Mass and weight Capacity and volume Time 	I am learning to compare, describe and solve problems with <ul style="list-style-type: none"> Length and height Mass and weight Capacity and volume Time Using informal vocabulary full, half full, long, short etc.
I am learning to measure with non-standard measures <ul style="list-style-type: none"> Length and height Mass and weight 	I am learning to measure with non-standard measures <ul style="list-style-type: none"> Length and height Mass and weight Capacity and volume Time 	I am learning to measure and record <ul style="list-style-type: none"> Length and height Mass and weight Capacity and volume Time Using informal vocabulary full, half full, long, short etc.
	I am starting to learn about 1p and 2p coins (in the context of doubling and counting) (Not included in DM or ELG)	I am learning the different coins and notes that make up money
I am learning to put events in order (Not included in DM or ELG)		I am learning to put events in order e.g. have breakfast, go to school etc.
I am learning the days of the week (Not included in DM or ELG)		I am learning to recognise and use vocabulary related to the passing of time e.g. days of the week, months of the year etc.
I am learning about the passing of time linked to timers e.g. sand timers, on the board, the school day, etc. (Not included in DM or ELG)		I am learning to tell the time to the hour and half past the hour and draw the hands on a clock face to show these times

Shape		
I am learning to choose shapes for different tasks	I am learning to explore 2D and 3D shape using some maths vocabulary	I am learning to recognise and name 2D and 3D shapes
I am learning to put shapes together to create new shapes		I am learning some of the properties of 2D and 3D shapes
Position & Direction		
I am learning to describe position e.g. on top, below, inbetween, etc.		I am learning to describe position, direction and movement.
I am learning to continue, create and spot errors in patterns and sequences
