

What have we been learning this week?

Summer 2—Week beginning 2.6.25

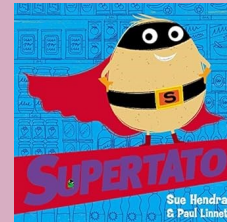

We have returned for our final term of the academic year, we hope you had a wonderful week. This week we have been rescuing peas from the ice. We considered what melts the ice fastest. The children have been making bubble painting, dancing and making circle art and creating Pea faces based on how we think they may feel. We focused on teamwork and being No.1.

Book of the week- **The Smartest Giant in Town**

Rhyme of the week- **Dinosaur**

Word of the week— **Soft**

Letter of the week— **d**

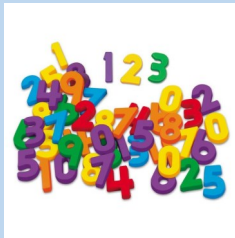

Literacy

This week we had a letter and email from 'The Chilly Peas'. They needed our help to rescue them from the ice. There was a package arrived on Friday with another letter from ST. Who is ST?

Math's

This week we have been practicing our quick counting and identifying groups of objects up to 5. The children grouped peas on a pod and rolled a dice and matched the number with that number of items to match.

Next Term

Next week the evil pea may be playing tricks on some vegetables. Our small group activity is called 'Watch out for the crocodile'. We will be colour mixing and painting with vegetables. We will create a shade/shelter den in the garden. There will be super hero challenges and practice for sports day.

Book of the week- **A squash and a squeeze**

Rhyme of the week- **5 in the bed**

Word of the week— **Smooth**

Letter of the week— **t**
