

# What have we been learning this week?

Week beginning 8/09/25

We have had a wonderful week where we are really seeing the children settle into our nursery routine well. We have been reading 'We are going on a bear hunt' this week and are pleased to see its so familiar to so many children. We have loved exploring the garden and looking at different colours in the environment.

## Math's

We have been saying and identifying numbers this week. We can show some numbers on our hands and have been counting objects and ourselves. We have sang some number songs.

## Next Week

We will be learning about 'now' and 'next' referring to our daily timetable. We will be continuing to explore sounds using musical instruments. We will be making faces out of loose parts. There will be an intruder this week with little flour footprints! Who could it be? Finally we will begin sequencing events using 'first' and 'then' language.
